

A green wavy line representing a hill spans the width of the header. Five black silhouettes of people are walking up the hill from left to right. The first is a small child, followed by a person in a wheelchair, then a person walking, then a person carrying a backpack, and finally a person in a graduation cap and gown.

**RE:** 2014-2015 A-F Grade for Damar Charter Academy (5191)  
**DATE:** March 9, 2016

---

Upon review, the Indiana Department of Education (Department) identified that it did not calculate a letter grade for Damar Charter Academy (5191). This was due to the unique student population at the school. Additionally, the school was identified by the Department as “atypical” and therefore referred to Indiana State Board of Education (Board) staff per administrative regulation. Board staff determined that the final grade for the 2014/2015 school year for Damar Charter Academy should be a “null”.
